Blackhawk in August

Brian Zirves & Brian Sheppard made a motion: RVKC does not participate as a financial partner with CES/GEM Promotion in the August 2012 Blackhawk Farms event due to the projected revenue loss and GEM's unwillingness to revise the entry fee structure or accept free RVKC volunteers in place of paid personnel in an effort to make the event financially viable. The August race will still be a points race in the RVKC series.

Vote Yes-Brian Sheppard, Brian Duensing, Brian Zirves, Dave Evans

Vote No-Carl Lankenau

Motion Passed

It was discussed by Carl Lankenau to call all the RVKC members to inform them of what is going on. The reply was that we were elected to the RVKC board to make these hard decisions.

It was discussed to make the Saturday entry fees more than Sunday because of the people that leave on Saturday night. For the people that stay for Sunday the fee would be lower so they would end up paying the same. If someone showed up for Sunday only they would pay the higher rate.

Brian Duensing asked: How is Dave Larson going to cover Blackhawk?

Autobahn-The contract for Autobahn was discussed and BOD were given till Friday to read and make any changes if needed.
